TITLE: SHOW AND TELL

GRADE LEVEL: K-3

GOAL: Children will learn what items may be reused.

MATERIALS: students' objects that could be reused; old books, toys, clothes, etc.

ACTIVITIES:

1. Have a show and tell session where the students bring in objects and discuss how they could be reused.

2. Set up a "swap box" where the children can bring in old toys, books or objects that might otherwise have been thrown out. They can trade an old toy for another one that is new to them.

3. Things to do at home:

   a. Use plastic grocery bags to hold garbage instead of buying garbage bags.
   b. Use paper grocery bags to wrap packages to send in the mail.
   c. Use paper grocery bags for art projects.
   d. Use small bags to carry your school lunch.
   e. Give things that we can no longer use to people who can use them.
